The Metabolic Disorders Solving Programme

Diabetes is a metabolic disorder. We can cure it by correcting our metabolism. “Your Health Is in Your Mouth” (Book) can be found on Google “The book provides comprehensive information on the topics of saliva its functions and its natural cure.

Metabolic syndrome occurs due to our bad habit of eating our food, water and liquids. Due to mutations in all our food in saliva, the imbalance of minerals some minerals collect in our body parts and some parts of our body and endocardial gland malfunctions. If we do not change our habits then we feel difficulties and these habits, abnormality and gens go to our inborns. children. These habits, abnormalities, and genes we cannot correct by any medicine, substitutes and research like stem cells, gene therapy etc. "Habits Are Second Nature “I request all people. Please read my book “Your Health Is in Your Mouth” and follow the eating rule then we can get victory in solving metabolic disorders.

I welcome all of you to see my post and read my book because I am given a new method to cure metabolic disorders naturally
